

TOPIC 6: LIFE IN THE MOUNTAINS

WORKSHEET: MEET PEMBA AND HER FAMILY

Photo 2: What do you think this area of Pemba's home is used for? Why do you think Pemba and her brother are playing here?

Photo 3: What is Pemba's mum doing? What else can you see in the room?

Photo 4: What is Pemba eating? Do you think this is breakfast or dinner?

Photo 6: What do you think Pemba's sister is doing in this photo?

Photo 9 and 10: Pemba is walking to school – do you think she could travel by car or by bus?

Photo 11: Pemba's school day starts with "brain gym" exercise and a school assembly. Why do you think they are having assembly outside?

Looking at photos 12 and 13, can you see some similarities and some differences between Pemba's classroom and your classroom?

Looking at the photos 2–8, can you see similarities and some differences between Pemba's home your own home? Use the Venn diagram worksheet on the next page to record the similarities and differences.

Many families believe that living closely together like this helps build and maintain strong family relationships. Do you share a bedroom or do you have your own room? Do you agree that sharing space helps build a good relationship with your family? Talk to your family and see what they think too!

TOPIC 6: LIFE IN THE MOUNTAINS

WORKSHEET: MEET PEMBA AND HER FAMILY

What is the same and what is different about Pemba's morning and home and your own?
